

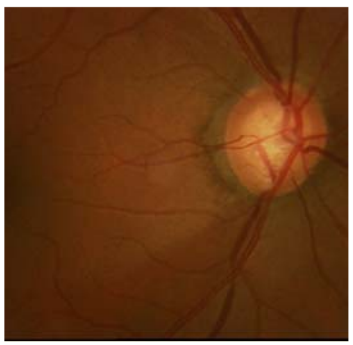
Centre Hospitalier de St. Mary
St. Mary's Hospital



DEPARTMENT OF OPHTHALMOLOGY

McGill University's high volume cataract center and a center for excellence in eye care

Our mission is to provide timely access to the highest quality ophthalmologic services with state-of-the art diagnostic and therapeutic equipment and excellent medical and surgical eye care. Completely bilingual services are provided in English and French.

Our warm and friendly eye care Staff at the St. Mary's Hospital Eye Clinic provide dedicated patient support through their technical, interpersonal and administrative roles.
